DORIS WELLS WEEDS ARMY OFFICER

Miss Doris Wells, daughter of Mr. and Mrs. Arthur Wells became the bride of Major James Larry Johnson, son of Mrs. T. F. Hamme of Aneta, N. D., at a ceremony performed at the summer home of the bride's parents in Hendersonville, N. C. on June 30. The Rev. Frank Matthews of the Hendersonville Methodist Church officiated at the double ring ceremony, before a throng of guests, with mountain laurel, palms, and white gladioli, and flanked by white cascading tapers in branched candelabra.

The bride who was given in marriage by her father, wore a gown of white marquisette with high round neckline and long pointed sleeves. The fitted bodice was embellished with seed pearls and the long full skirt extended into a long train. Her fingertip veil of imported tulle was caught to a ruffled Juliet cap of seed pearls, and she carried a bouquet of white roses.

Best man was Major John Pryor of Boston, Massachusetts, and Joseph Arthur Wells, Jr., and Wendall Wallace Wells, brothers of the bride were the ushers.

Miss Katherine Dotson played the traditional nuptial music and accompanied Mrs. Mitchell Ferguson of Sebring who sang several vocal selections. A reception was held following the service and Mrs. Wells was assisted by Miss Ann Kathleen Bartlett of West Palm Beach and Miss Margaret Jones of Cleveland.

The couple left immediately for a wedding trip to Canada. They will reside temporarily in San Antonio, Texas, and later will make their home in Alaska.

Mrs. Johnson is a graduate of Palatka High School and Florida State College for Women where she received her degree in sociology and was a member of Alpha Chi Omega society.

Major Johnson attended the University of Washington in Seattle and was associated with the Alaska Pacific Consolidated Mining Company in Anchorage.

Alaska before entering the Air Corps in 1941. He served in the Aleutians and in the southwest Pacific as squadron commander.

MRS. MORRIS LEADS W. S. C. S. PROGRAM

The regular meeting of the Women's Society of Christian Service was held at the Community Methodist Church last Wednesday. The business session was presided over by the president, Mrs. A. L. Wallis, during which time it was voted to hold only one meeting a month for the remainder of the summer. The next meeting will be August 14th.

Mrs. Frank Morris was in charge of the program and served to their guests following a display of their quilts.

Island Landscape Company

We wish to thank our many friends in the Glades for the business which they have given us in the past and for their understanding and helpful attitude toward us during the years while we were mainly engaged in the preparation and maintenance of Airfields for the Army and Navy.

Once again we are able to resume peacetime operations and offer you the same efficient and courteous service which has been our endeavor to render in the past. The service we offer is complete, from landscape designing to a finished planting job. Our Nurseries are stocked with a wealth of lovely trees, shrubs, vines, potted plants, etc., awaiting your selection.

We invite you to stop in and visit us at any time and will appreciate your continued business.

E. TINSLEY HALTER, President.
NURSERIES: 1100 Southern Boulevard (Route No. 25 at City Limits), West Palm Beach, Florida.

LABOR MANAGER

(Continued From Page 1)
er days, is a thing of the past, and as they have gone into other sections and entered other employment.

That during the past year, the Labor Board, handled 1100 Bahamin workers, and the board and the U. S. Sugar company, 2400 Jamaicans; in addition to the thousands of domestic. The Board also successfully placed crews numbering 6000 workers in jobs in other portions of the upstate crop line, and was hopeful that a majority of them would be returning here this season.

He cited that it is going to be imperative that some change in wages and piece work be arranged, for under present piece work prices, some of the larger operators were going to pass out in a period of a few years. He thought economic conditions would help out in this situation.

In checking up state and federal reports, summation showed that Palm Beach county was the banner agricultural county, and that it produced crops in excess of the combined production of the next three largest Florida counties, as to ears shipped and tonnage.

Fifty years ago 75 percent of the nation's population was engaged in production of foods, but now only 25 percent are so employed. That the present 25 percent were doing a better and larger job, producing more food products, getting larger wages, and even earning more for the producers than 50 years ago.

We are hoping that in the very near future, that acreage cropping will be reduced, so that growers will need depend only on domestic, migrant labor. This coming season, obeying the will of the majority of the growers, foreign labor will be required, especially in the sugar cane plantation work.

GOVERNMENT

(Continued From Page 1)
this summer, has been assigned to special traveling duties for his company.

Sam Chastain, who has growing interests up in the Canal Point-Shad Cut sections, has landed down in the Belle Glade area, as it is understood that he has taken over lease on some of the lands formerly used by Van Landingham Brothers, at Six Mile bridge, for celery. Jack Jones is also improving his lands in the same section by new drainage canals and dykes.

With new expansions going on over at the Terminal section at Belle Glade, the FEC is going to find that it does not have any too much in way of facilities for its handling of crops. In 1945-46 the yards did a record business, and looks as if this record would be surpassed the coming season.

MASONIC BROTHERS

(Continued From Page 1)
renewal being the police scare and recommendations of the State Board of Health.

H. J. Speer, assistant county agent and labor manager, was the speaker of the day and a separate story appears elsewhere in his most interesting and informational address.

New Industrial Plant

A new business firm to be known as Dienderfer and McMillan have taken over a lease on one of the Rader properties at the old Avenue E base ball park where they are establishing a custom wood working plant. Mr. Dienderfer is bringing a fine line of equipment from his home in Pennsylvania to the local location. These men were former navy buddies of years past and their present business relation is an outgrowth of that relation.

U. S. Sugar Corporation Will Hold Line Prices

The United States Sugar Corporation will hold the price of its product at the present level, but will reserve the right to increase the price at any time market conditions make an increase imperative, it was announced this week in a telegram to James H. Marshall, Director of the Sugar Branch of the Production and Marketing Division of the Department of Agriculture.

The decision not to increase prices despite the death of the OPA is in line with similar decisions by most of the large corporations of the country, who hope that the end of the OPA will eventually result in making lower prices possible, as supplies catch up with demand.

Edward D. Gordon of Moline, Ill., one of the country's best-known mechanical engineers, specializing in agriculture machinery and research, has been employed by the U. S. Sugar Corporation research department, Joseph Ferris, assistant to the president, announced this week. Mr. Gordon, who has done outstanding work on determining the causes of and setting up safeguards against grain elevator explosions, came here from Cuba where he has been working on fiber processing experiments.

He is a graduate of the Iowa State College, has done extensive work in development of methods of hay and rice drying, and in perfecting machinery for cultivating and processing peanuts.

MORE MONEY FOR FLORIDIANS

The Florida Vegetable Committee estimate that a saving of from \$1,000,000 to \$6,000,000 annually will be made by vegetable growers of this country when the 10 per cent ad valorem duty is removed from the United States shipments into Canada. Florida growers in particular will benefit, the committee points out.

The recommendation for this removal was made at a recent trade conference between the two countries and is expected to be adopted before Florida's winter marketing season arrives.

The "Carib Queen," first of the fleet of super-freighters planned by the Gulf Atlantic Transportation Company, for service between Key West and Havana will be launched July 25 according to H. G. Williams, the GATCO President.

O. G. McWhorter returned last week from Daytona Beach and left here Thursday for Hot Springs, Arkansas. Mrs. Dora McWhorter is accompanying him and will go on to Denver, Colorado to attend a family reunion.

F. F. of A. Convention

The annual state convention of the Future Farmers of America, of which the Belle Glade club is one of the 109 chapters of the state, is to be held at Camp Olenia on July 22-24. The gathering will be held in connection with the Forest school now in progress at that camp. At this gathering the program includes the contests in the various branches of the work of the chapters.

Royal Arch To Celebrate

The Florida Chapter of the Royal Arch Masons is to celebrate its 100th anniversary of its founding at Tallahassee during the week of June 10, 1947. The Grand Chapter in its early days had been a portion of the Grand Chapter of Virginia. There are many chapters of the order throughout Florida, the only one in Palm Beach county being at West Palm Beach, and there are many members in the Glades who have membership there.

Mosquitoes and Flies Plentiful

Belle Glade has experienced plenty of mosquitoes and flies the past week and Health Officer W. J. Burk states it was due to the rains which delayed the drying of the city area. With the DDT. He also reports that the present health condition of the city is most satisfactory and he is hoping there will be no more outbreak of the polio.

Cuba's Sugar Bought

The Cuban Sugar Commission which has the sale of the sugar crops has entered into an agreement with the U. S. Credit Corporation to sell its 1947 crop. This important transaction will likely release more sugar to the U. S., as the supply is becoming short and acute and in some cities the sweetening has disappeared entirely from the tables and counters. The new reciprocity pact of the U. S. is to continue for only one year instead of three years as had been previously forecast.

Former Local Police Officer Wreck Victim At Jacksonville

Word has been received in Belle Glade of the death of W. R. Cuker at Jacksonville on Monday as the result of an accident near Jacksonville in which his truck was wrecked and he being pinned in the debris.

Cuker was an employee of a South Bay man by the name of Higginbotham and was driving the truck on a north bound trip, having left the Glades on Sunday night.

Cuker under Mayor J. K. Baker, was for a time a member of the city police force.

Mrs. Sanders Improves

Word from Jonesboro, Ark., is to the effect that Mrs. Clark Sanders, manager of the Pears hotel, who has been a patient at the hospital there for the past two weeks, is showing improvement and will be taken to the home of a relative at the end of the week. Mrs. Sanders was called to the bedside of her mother, Mrs. Owens and herself was stricken with a severe illness.

Johnwicks Now at Stuart

Prof. Elanett F. Johnwick, former principal of the South Bay schools, and who served as a teacher in the Glades, has assumed the supervisory principalship of the schools at Stuart. They will soon establish their home in that city.

One Day ServiceTWO REGIONAL FAVORITES
FOR GREATER ENJOYMENT

TUNA DELIGHT

RECIPE: Grease casserole. Line bottom with crisp potato chips. Add a layer of tuna-lake seasoned to taste. Cover with another layer of potato chips. Then tuna again, alternating the ingredients until the tuna is 1/4 inch thick. Top with can of cream of mushroom soup. Top with butter flaked corn. Bake for twenty minutes. Garnish with hot rolls and moderate serve with sliced tomatoes. Serves 4-6.

JAX has mailed \$5.00 to Mrs. Kenneth Shelton, Jacksonville, Florida, for this delightful recipe. Send us your regional recipe suggestion. If published, \$5.00 will be paid for its use.

AND GOLDEN JAX BEER
SPARKLING

If you dream of being the perfect hostess . . . then try this charming pair for flavor and fair compliments. It's a real treat! It's delicious TUNA DELIGHT, a grand regional dish that's temptingly-perfect when served with the favorite, regional Drink of Friendship, JAX Beer.

Yes, golden JAX Beer is grand with good food, and equally delicious all by itself. Rich in flavor, aroma, color, and body . . . brewed especially for discriminating Southeastern tastes, JAX is a truly great . . . a truly premium beer. Enjoy JAX Beer . . . whenever the occasion calls for rich, satisfying enjoyment.

LET US RECONDITION
YOUR CAR TO A SAFE
WORKABLE CONDITION!

You have war time cars, which have seen
lots of use and abuse, and should be in-
spected for electrical, battery and ignition
defects. Your crank shaft and other main
bearings may need new lubrication, and
washing out, along with a general grease
job. All this service is in line with our work.

When this check up is finished, then fill
up with that good, serviceable Gulf gas.

Book Donation Made For The Local Library

Mrs. J. F. Browne, is very
much pleased, over a fine gift
of 1000 books from the Hal-
sey-Griffith company, of West
Palm Beach and they with nu-
merous other new books are now
on the shelves for circulation.
Some 3,000 in all. Summer li-
brary hours are: Tuesdays, Fri-
day and Saturday 9 to 12 a.
m.; 2 to 5 p. m.; and on Wed-
nesdays and Thursdays, 9 to 12
a. m., 1:30 to 3, 6:30 to 8 p. m.
a. m., Saturdays, 1:30 to 3, 6:30
to 8 p. m. Among the new works of
fiction recently received are:
"Turquoise" by Seton.
"Wine of Dan Lorenzo" by
Gorman.
"Lion in the Streets" by
Langley.
"Portrait of Marriage, Pearl
Buck.
"Pleasant Valley" Brownfield.
"Pacecock Sheds its Tail" Ho-
bart.
"River Road," Keys.
"Our Vines Have Tender
Grapes," Martin.
"Love Letters" Massie.
In addition to the gift of the
Halsey-Griffith Company, Mrs.
Browne acknowledges an addi-
tional gift, as follows: "Plant
World in Florida," presented
by Mr. & Mrs. A. G. Keyes,
of West Palm Beach.
Of the war period volumes
now available are: "A Ribbon
and a Star" by Munk. "First
Marine Landing on Guadalca-
nal," "Up Front" by Maudlin.
"From Omaha to Okinawa"
(See-Bess) Huie. "Brave Men,"
Emie Pyle.

**Southern Baptists
To Raise War Sums
For World Relief**
The Southern Baptist Con-
vention, which at its recent ses-
sion adopted a program to raise \$3-
500,000 for world relief is
now operating on the project.
Of this amount Florida
churches are to raise \$155,400.
The Big Union has assigned
some of its greatest leaders to
make trips to the world sections
for the purpose of a first hand
survey as to needs of every
type. Dr. Louis Newton has
been assigned to Russia; Dr.
M. T. Rankin and B. J. Can-
non to China; Dr. M. E. Dodd,
Australia; Dr. Josef Norden-
haug to Norway; Dr. C. O.

Jamerson to the Pacific area
bases.

Funds raised for this project
will be administered by the
Union through its Foreign mis-
sionary department from the areas
where the church operates.

OBSERVATIONS

Continued from page 1
early morning deliveries at the
store fronts. In that act there
is nothing wrong, and they are
conversing time, but from a
sanitary standpoint it is not good
practice, for those provisions do
make it tempting for dogs to
stop and cock their hind legs.

Three high school boys, mem-
bers of the Labelle football
team, hid themselves over the
recruiting Army headquar-
ters at West Palm Beach, Fri-
day and after passing the medi-
cal physicals, each of them
signed up for three years serv-
ice in the Army, and were as-
signed to the radio technical
service. The boys were Reuben
Collier, Elmer Yeomans and
William Jackman. The medical
examiners found that those in-
terland lads were good and
healthy and has been brought
up in the right way.

If that proposed bill ever gets
the acceptance stage before the
Legislature next year, that eigh-
tette taxes be paid to the com-
munities in which the weed is
sold, instead of going totally to
the state. Then municipalities
could have quite a sizeable in-
come.

It takes time and patience to
get some things across, as Belle
Glade city and civic club offi-
cials have discovered. But usu-
ally an award comes to them
who watch and wait. Belle
Glade institutions did this for
nearly two years, and now have
the right to remove from Camp
Murphy, the much wanted hos-
pital building and equipment.
It is to be used locally as a Crippled
children's hospital, final papers
were signed the past week and
whereby the deal was closed.
The Government in this in-
stance, was most kind and lib-
eral to the community. The
first thing is to get the same
moved to its proposed new lo-
cation here. The Legion and the
city fathers are to be brought
into sponsoring and putting
over this important community
project.

Some day South east, First
street is going to be a rival to
Main and Avenue A. We might
see some residences, a new Leg-
ion hall, possibly the proposed
new Federal building, a busi-

One oil well up in Osceola
county, located on the old Mel-
bourne highway, has been plug-
ged. Senator Ray Carroll, of Kis-
simee, has another well being
sunk by the prospecting com-

pany, on his Deer park ranch.
What these wells may produce,
will be kept as secret as possi-
ble for some time ahead. Car-
roll does not believe that the
FEC RV will entirely delete

the rail service in Osceola
county, and is proposing to re-es-
tablish a long abandoned station
and village down the line of the
railway, adjacent to his large
ranch.

We Have Always Kept Our Prices Within OPA Ceilings

MAIN STREET

BELLE GLADE, FLA.

Because it is the world's largest citrus
producing area, Florida is the logical lo-
cation for the manufacture of citrus by-
products. And since two-thirds of its grapefruit
crop and one-third of its orange crop is
processed for canning, there's plenty of
citrus residue available. In recent years
there has been a growing demand for these
by-products, made by utilizing portions of
the fruit formerly considered as waste. The
citrus industry is only one example of
many which indicate the possibilities of
future industrial development in Florida.

2 1/2 Million Dollar Rate Reduction

Industry and business generally in Florida
will be encouraged by the effect of the
recently announced \$2,500,000 rate
reduction as well as the \$24,000,000
construction program started by this
Company. It shows we are putting up our
dollars to back our faith in Florida's future.

Lauderdale the first of the week to the bedside of Mr. and Mrs. George Abstein and daughter, Frances, who were injured Friday evening in an automobile accident in Ft. Lauderdale as they were enroute to their home in Ft. Pierce from Miami. The driver of their car, Charles Gibbins was unhurt and Miss Abstein sustained only minor injuries. Gibbins reported that they were struck by a car which ran through a stop sign at the highway and crashed into the Abstein car.

Mr. and Mrs. Leland Keene and daughter, Patsy, spent the week-end in Lake Worth visiting Mr. and Mrs. R. M. Barnes. Mr. and Mrs. R. B. Barnes and families.

Sharon Prevatte, daughter of Mr. and Mrs. J. Frank Prevatte, of Bean City has returned convalescent from the hospital.

Sgt. L. O. "Jack" Ratley Jr. arrived from Texas last week to visit his father who is quite ill.

Capt. Don C. Croushore recently returned to his home at Harrisburg, Pennsylvania from Germany where he has been with the occupation forces of the United States Army, is here with his wife visiting his aunt and uncle, Mr. and Mrs. R. S. Donaldson.

Mr. and Mrs. H. O. Mitchell have returned from a month's visit among relatives at Savannah, Texas.

Mr. and Mrs. J. B. Grant of Lake Harbor have gone on an extended visit to Texas and California leaving Mr. and Mrs. R. S. Donaldson to look after their home and livestock.

MOECKEL-BEST
SOUTH BAY—Mr. and Mrs. Edwin Best announce the marriage of their daughter Audrey Mae Best to Pfc. Albert Moeckel at the Best home on July 8. Rev. William Oswald, pastor of the South Bay Baptist Church, performing the ceremony.

The bride wore a white eyelet afternoon frock, a white hat and carried a bouquet of white crepe myrtle showered with satin ribbons. Her sister, Mrs. Elaine Williams, was matron of

honor and wore a flowered waif weave crepe afternoon dress. Her brother, the bride was best man.

The rooms were beautifully decorated with azaleas and snap dragons in varied colors and the ceremony was performed under an arbor of pink and white flowers which had been set up in the archway between the two rooms.

Bernice Williams, niece of the bride, presided at the punch bowl at the bride's table which was centered with a three tiered wedding cake, cut by the bride and served by her brother, Vernon Best.

Mrs. Moeckel is a native of Florida and has spent her entire life in the glades and Lake Worth. She is the graduate of the Belle Glade High School with the class of 1946 and has been a faithful worker in the Baptist Church organizations.

The groom is still in service in the Army Air Corps and stationed at Greenville, N. C. where the couple plan to make their home following a two weeks honeymoon visit at his home in Fitchburg, Mass.

Guests included Mrs. Grace Roberson and son, Duina, of Lakewood, Mr. and Mrs. Vernon Best and family of Lake Worth, Mr. and Mrs. Fred Burke and family of West Palm Beach, Bernice and Peggy Williams of Lakewood, Mrs. Wm. Oswald, Mrs. Evelyn Leathlean, Mr. and Mrs. J. W. Strickland, Mrs. F. W. Mutchler, Miss Carolyn Mutchler, Mr. and Mrs. Edwin Best, all of South Bay.

South Bay Negro Attempts Suicide

The yard foreman at the South Bay Sugar Plantation, Willie Morgan, colored, shot himself behind the right ear Sunday noon just before the arrival of Chief of Police C. G. Payne, who has been summoned by Alfred Vadas, plantation machinist, when the man's wife called for help to prevent the tragedy.

Plantation Foreman T. L. Weathers called the Government Migratory Hospital and an ambulance was sent to pick up the injured negro.

His wife stated that he had been brooding over the labor situation and she thought that the cause of the accident, officer Payne reported.

Island Farmers Are Building Their Own Dikes

The Holloway Dredging Company, of Coral Gables, has a dredge at work building a dike for Dick LeFalls on Torrey Island.

B. C. WILLETTS
Firm Name: B. C. Willets, Attorney at Law, 121 N. W. 1st St., Palm Beach, Fla. 33401

NOTICE OF INTENT TO REVOKE PROBATION NAME
Notice is hereby given that the undersigned, under the provisions of Chapter 2834, Laws of Florida, Act of 1941, will together with the State Attorney for Palm Beach County, Florida, on or before the 25th day of August, 1946, file with the Circuit Court of said county, a petition for revocation of said probation, the petition being in and to the effect that the party named in said notice is said business as follows:

B. C. WILLETTS
Firm Name: B. C. Willets, Attorney at Law, 121 N. W. 1st St., Palm Beach, Fla. 33401

land and one for Fritz Stein-Kramer Island to protect their farming tracts from flooding by lake overflow.

The dike is 40 feet wide at the base, 20 feet wide at the top, and 8 feet high. It is being built on the meander line of the lake to take in the marginal lake shore land.

It is understood that when the government dike is erected the owners who have filed their land will be given credit for their cash outlay on the purchase of the marginal land from the state and that they will be given long terms to pay the balance.

The present diking operations calls for 3 1/2 miles of dike and it is expected that the work will be completed in five more weeks. The government completed dike will have two feet of rock on top of the muck dike now being thrown up.

NEW Gasoline!

POWER-PACKED

with
100-OCTANE COMPONENTS

The new Sinclair Gasoline is made to give your car the surging power that aviation gasoline gave to war planes.

The same 100-Octane gasoline components developed for war have now been blended into the new Sinclair Gasoline. That's why we believe you'll call this new and mighty gasoline the most power-packed fuel your motor has ever had a chance to use. Stop in today at the Sinclair Dealer and fill up with the NEW Sinclair "H-C" or NEW Sinclair E-Hyl. You'll find that the higher-octane, quicker-starting, power-packed Sinclair Gasoline makes your car fairly fly.

Look to Sinclair for Better Products—Better Gasoline.
